BATTERSEA, ST JOHN

Ref: BAT11

Status	demolished
Borough	Wandsworth
Present parish	BATTERSEA, ST PETER AND ST PAUL
Built	1863
Build architect	E.C. Robins

Further information *“A cheap brick church erected for the workers of the factory district of York Road”* according to J.G. Taylor (*Our Lady of Batersey*, 1925). Consecrated on 5 May 1863, it was badly damaged in World War 2. The parish was renamed in 1948 to Battersea, St Paul (which had been its unconsecrated daughter church). One source says it was demolished 1950, but another that it still stood (closed) in 1965. It has certainly been demolished at some time and housing stands on the site. St Paul's parish has since been annexed to St Peter's.
