Borough	Wandsworth
Present parish	BATTERSEA FIELDS
Built	1877 (approx. - first registers)
Build architect	unknown

Further information

The only reference to this church is in the LMA records - registers from 1877-1878 - in the parish of St George the Martyr. It is presumed to have been demolished by 1950 (not being evident on 1951 map).

This church is not to be confused with [Lavender Hill, St Matthew](#), in Rush Hill Road (LAV01), which was also opened in 1877 and seem also to have been known as Battersea, St Matthew. There is however probably some connection between the two - this one may well have been a temporary 'tin tabernacle' before the Rush Hill church was completed.
