

FAIRER SHARES SURVEY

MARCH 2012

QUESTIONNAIRE

PARISH: ANYTOWN St. ELSEWHERE DEANERY: ANYWHERE

Before completing this questionnaire please read the "FAIRER SHARES" booklet and the other information sent with it carefully.

The object of this questionnaire is to provide as much background information as possible to the interviewers when they come to the parish in the next few months. They will be able to discuss fully the uncertainties and peculiarities of the parish during the interview. Please ensure that precise answers are given to as many questions as possible. This helps the interviewers to have a better understanding of the parish and to keep the interviews running according to time-table.

It is essential that a small working party of PCC members including the incumbent is involved in all stages of assembling the information required to complete this questionnaire. The (A4) master copy is to be returned to the Diocesan Office by 15th MAY 2012 - a copy should be retained for reference during the interview. If you have any difficulties please contact John Henson (☎020-8942 1279 or e-mail: john.henson@southwark.anglican.org).
